

Kailua Hawaiian Civic Club Post-Secondary Scholarship Information School Year 2024 - 2025

OVERVIEW

Although a college education is by no means the single key to the enlightened Aloha 'Āina leadership of our community, we recognize the value that such an education can provide in this wā huliau. As a consequence, the Kailua Hawaiian Civic Club has offered, since its earliest days, a post-secondary scholarship program for its members, families, and community at large. These are need-based scholarships given to students who show promise of acquiring, whatever their field of study, the 'ano 'ōpū ali'i, the leader-servant mindset, that is so necessary to our lāhui's well-being.

THREE SCHOLARSHIPS

We do our best to offer three scholarships a year of \$1000 each, the actual amounts depend on the success of our annual Poi & Pāpale Scholarship Fundraiser. These scholarships are named in honor of club members who have been instrumental in establishing, rebuilding, and motivating the Kailua Hawaiian Civic Club in its 70 years of existence. The **Māhoe-Trask Scholarship** i mea e ho'ohano ai i nā inoa 'o Louis Māhoe lāua 'o James Trask, the founder and first president of KHCC. The **Charles Rose Family Scholarship** i mea e ho'ohano ai i ka inoa 'o Charles Rose, the president instrumental in establishing the club's curatorship of Ulupō Heiau. The **Clara and Doc Burrows Scholarship**, i mea e ho'ohano ai i nā inoa 'o Clara lāua 'o Charles Borrows, the recently named hulu kūpuna of our club whose years of dedication to Kawainui inspire us to press on with equal, fearless determination.

Additional consideration will be given to applicants who:

Are you 'ohana of a current, paid member (or members) of KHCC? If yes, please provide name(s) and relationship(s).

Have you participated in community service activities at Ulupō? If yes, please provide some details.

Although we espouse the Hawaiian value of “ha‘aha‘a / mai kaena,” please list briefly your activities, experiences, and accomplishments in Hawaiian culture.

ESSAY

You have a maximum of two pages to respond thoughtfully to the following two-part question. Please submit this essay in a standard 12 point font (Times Roman, Helvetica, Arial) in 1.5 or double-space formatting. Give it a title. Print it out, staple it together, and include it with your application.

Who are you and why is this scholarship important to you?

Special consideration will be given to essays written in ‘ōlelo Hawai‘i. All of it, or part of it. This is not a test of fluency in the language, but it is a possible indicator of your commitment or exposure to our culture. You may, if you want, indicate your current level of ‘ōlelo education (for example, “I have just completed Hawaiian 202 at UH Mānoa”).

LETTER OF RECOMMENDATION

Please provide one letter of recommendation from a teacher, counselor, coach, kumu hula, pastor, mentor, or other adult with whom you are closely associated. Ask this person to begin your letter with an explanation of your relationship and its duration. Ask this person to then explain how it is that you show promise of acquiring the ‘ano ‘ōpū ali‘i, the leader-servant mindset, that we think is so necessary to our lāhui’s well-being. Briefly put, an ‘ōpū ali‘i is a leader whose character is defined by humility, kindness, and care; one who gets right into the lo‘i and works side by side with his/her people.
